Income Requirements Cont.

Income - Short Term Rentals

Short Term Rentals (STRs):

- Defined as properties leased on a nightly, weekly, monthly, or seasonal basis
- Evidence from a third-party vendor is required to validate that the local jurisdiction allows the subject property to operate as a short-term rental
- Minimum DSCR ≥ 1.15 unless otherwise noted
- No Ratio = Ineligible
- Max LTV: Lesser of 75% or the LTV/CLTV available per the matrix

Short Term Gross Rental Income:

One of the following options depending upon the transaction:

- 1007/1025, or
- Alternative Short Term Rent Analysis form developed by an AMC, or
- Lookback period of 12-month period to determine average rent history or annual or monthly statements, and minimum of 1.15 DSCR

When using the 1007/1025 or alternative Short Term Rent Analysis, the market rents must account for seasonality of the subject property's rents.

DSCR Calculation Methods and Minimum DSCR:

- Option 1: Lesser of 1007/1025 completed using either long-term or short-term market rents — Min DSCR 0.75
- When the 1007/1025 is prepared with the use of short-term rentals, the appraiser is required to address the seasonality of the subject property short term rental market in computing the market rent. If the appraiser fails to appropriately address for seasonality, then gross rents should be computed using the vacancy factor as determined by the AirDNA Property Earning Report.
- Option 2: 12-month lookback period to determine avg rents or annual or monthly statements from Airbnb or similar service - Min DSCR 1.15

Income Requirements Cont.	
Income - Long Term Rentals	<ul style="list-style-type: none"> • Defined as any property leased for 30 days or more, including monthly or seasonal rentals. Monthly gross rents are calculated as follows: • Purchases: Market Rents should be used for Qualifying • Refinances: <ul style="list-style-type: none"> o If using the lesser of market rents or the lease, nothing further is required. o If using a higher lease amount, evidence of 2 months of receipt is required. The rents cannot be prepaid to meet the 2 month requirement. This option is not available for monthly or seasonal rentals. o Seasonal or monthly rentals are qualified based on a 12 month average of income from either the 1007/1025 or a 12 month look back from rents received. o For a vacant unit in a 2-4 unit property, 100% of market rents may be used for qualifying. • Documentation: <ul style="list-style-type: none"> o FNMA 1007/1025 required, along with one (1) of the following if the transaction is a refinance (unless occupancy is not required based on Lease/Occupancy Requirements section above): <ul style="list-style-type: none"> o Executed lease with no less than 1 month remaining at time of closing for all units in the subject property.
